1:24 PM

Kyle West

Butch

So today could be my last day in the office... could be gone two weeks from today

9:39 AM

Kyle West

Why is that?

10:02 AM

Butch

Call me when you have a minute

10:07 AM

Friday, October 11, 2019

Butch

3:18 PM

I can't believe they plan on firing me... this is great

3:18 PM

Kyle West

What a bunch of clowns. Sorry u gotta deal with this horseshit. Maybe he's trying to get a nice payout.

3:23 PM

Kyle West

The more I think about it I think this has been their plan for several months. I think he must have been talking about you a few months ago. They wanted to "build" up a team and then dispose of you. Let you keep drumming up more sales while they knew they were going to cut you loose once Eli was ready.

3:42 PM

Kyle West

Who else could they have been talking about?

3:43 PM

Thursday, October 17, 2019

Butch

They sent me home and don't want me in the office any longer...  
had me cancel demos

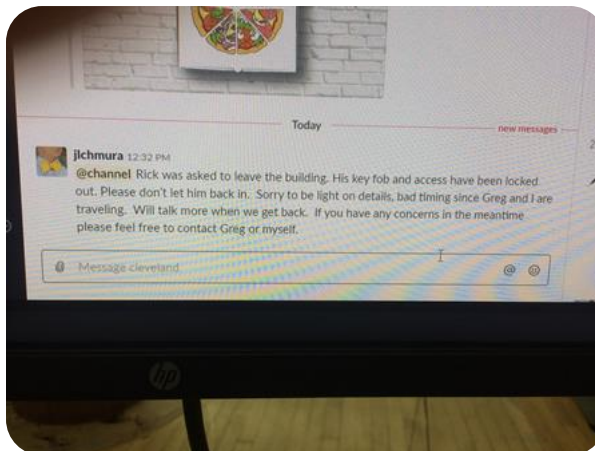

11:16 AM

Butch

Shut off my JobsEQ, email, and salesforce

11:47 AM

Butch

12:49 PM

Kyle West

Wow. About to land in MN. Call you in a bit.

1:08 PM

Butch  
I also heard no buyout... they are gonna just fire me 1:10 PM

Kyle West  
How did you hear that? 1:11 PM

Butch  
Dana through Eli's wife at her work 1:11 PM

Kyle West  
Eli didn't say jack today though? Just sent you home, that's it? 1:12 PM

Kyle West  
Clear now that Stefanie okayed a role here 1:12 PM

Kyle West  
\*played a role 1:14 PM

Butch  
Call me when you get off the plane 1:14 PM

Kyle West  
Waiting in line to get off now 1:14 PM

Butch  
They are going to a Celine Dion concert together... fucking weird 1:14 PM

Butch  
 3:14 PM

Updated comment... now nobody is allowed to talk to me 3:14 PM

Kyle West

And how will that be enforced? Are we in China now?

3:52 PM

Kyle West

Hard to read that screen. Is the msg from JC?

3:52 PM

Butch

Yea... telling people if I reach out to not talk to me

3:53 PM

Butch

10:26 AM

Butch

11:12 AM

Kyle West

Hope it goes well. If they lowball, then don't react. Say you need some time because you're not happy but want to counter and work things out to end well. Unless you already know what you can do with the backing of an attorney.

12:00 PM

Butch

She moved it to 12:30

12:01 PM

Butch

Yea I won't say much I'll just ask her to put it in writing and I will get back with them by the end of the week

Butch 5:38 PM  
Went twice as long as it should have and he had me skip the next step and move onto the EVP

Kyle West 5:41 PM  
Right on!

Butch 5:59 PM  
How's the conference going?

Kyle West 7:58 PM  
It was a good event, I must say, but I had super low expectations. I just left the party... I am done

Kyle West 7:58 PM  
With these people

Butch 7:59 PM  
Go have a few drinks in the room by yourself... you leave tomorrow right?

Kyle West

Yep, just ate some chocolate.
